PUERTO RICO SERVICE ANNOUNCEMENT*Weather Update 9.8.09***Dear Valued Customer:**

Horizon Lines is monitoring a low pressure system just east of the Outer Banks of North Carolina. According to the National Hurricane Center, current conditions are unfavorable for Tropical Storm formation, but are tropical in nature. This weather system is producing shower and thunderstorm activity causing high surf and wind currents along the coastline.

Tropical Storm Fred is nearly at hurricane strength, but is expected to move out into open ocean with no effect to land.

All Horizon Lines vessels are on schedule and we do not expect any impact to our vessel or port operations.

Horizon Lines will continue to monitor and provide daily updates on the weather activity in the Atlantic.

If you have any questions concerning this schedule, please contact your Horizon Lines Sales Representative or Customer Service at 1-877-678-7447.

Thank you for choosing Horizon Lines. Always There, Always Delivering.
